

# Deployment Checklist

Every deployment is different. Sometimes you barely have time to pack and say your goodbyes. Other times you have weeks to get your affairs in order. You may be on standby alert, never knowing when you will be expected to report – the next day, or the next week.

The following deployment checklists can help you in either situation. Print and carry them with you as you work through your deployment preparations:

- Rapid Deployment Checklist**
- Deployment Preparations Checklist**
- Deployment Documents and Records Checklist**

## **RAPID DEPLOYMENT CHECKLIST**

When the nation calls, our service men and women are the first to respond. Because we understand the circumstances you experience during this difficult time, we have identified four immediate steps you should address prior to departure:

- Prepare a will.
- Complete a power of attorney so that someone you trust can conduct business on your behalf while you are away and designate someone to make health care decisions on your behalf.
- Register for online access to your accounts. Obtain PIN numbers and passwords as needed.
- Establish automatic payment plans to have your bills paid.

Based on many years of serving the military community and their families, we have identified some areas you may want to focus on before you leave. We have also included tips and suggestions that may help family members while you are away.

### Financial Checklist

- Seek reputable financial advice to discuss your situation prior to departure.
- Review life insurance coverage for you and your family.
- Set up a folder to hold receipts, financial and legal documents in your absence.
- Review your financial arrangements. Make sure all financial accounts are shared with your spouse.
- Record financial account numbers and take a copy of that record with you when you deploy.
- Review your financial needs. Ensure that any loans that may be needed are prearranged.
- Review investment options and consider investing tax-exempt income.
- Set up automatic deposit, investment and payment services.
- Discuss budgets for home and deployment expenses.
- Plan for the unexpected expense like car and home repairs.
- Consider keeping additional funds in your checking account at all times.

### Legal Considerations

- Prepare a will.
- Consider a living will for you and your spouse. Make sure your spouse, relative or friend is aware of its contents.
- Consider giving your spouse, relative or trusted friend a power of attorney or limited power of attorney to handle affairs in your absence or designate someone to make health care decisions on your behalf. (Consult a legal advisor.)
- Place important documents in a secure location, such as a safe or a safe deposit box.
