THE PURPOSE OF THIS FORM

The purpose of this form is to explain the choice you have regarding your bodily injury liability insurance protection and to assist you in making that choice. Read this form carefully because the choice you make will have financial consequences.

PART A: BODILY INJURY LIABILITY INSURANCE COVERAGE EXPLAINED

Bodily injury liability insurance covers claims made against you for injuries to others if you are at fault in an auto accident. Michigan auto insurance policies are required to provide bodily injury liability insurance coverage of not less than \$250,000 per person and up to \$500,000 per accident ("\$250,000/\$500,000") for these claims unless you select higher or lower limits depending on the amount of protection you need. In no event can you select less than \$50,000 per person and \$100,000 per accident. If you do not make a selection, your policy will be issued with limits of \$250,000/\$500,000.

If you want bodily injury liability coverage limits of \$250,000/\$500,000 or more, you do **NOT** need to complete this form.

PART B: INCREASED RISKS WITH LOWER BODILY INJURY LIABILITY INSURANCE COVERAGE LIMITS

If you are responsible for injuries to another person, you may be liable for damages for their pain and suffering, as well as the costs of their medical and other care that exceed their coverage under their auto insurance policy. The bodily injury liability limit of your policy will pay for such damages, but only up to the amount of the limit you choose. You will be required to pay any amount over the limit you choose. This amount could be substantial and may lead to severe financial consequences, such as:

- Your assets may be seized, or a lien may be placed on your home;
- Your wages may be garnished; or
- Your driver's license may be suspended.

Selecting lower bodily injury liability insurance coverage limits may also affect your eligibility for an umbrella policy.

PART C: CONFIRMATION OF UNDERSTANDING-YOU MUST READ AND INITIAL EACH LINE

_____ I have received a list of all the bodily injury liability coverage options available to me and the price for each
(Initials) option.

_____ I understand that any bodily injury liability coverage election I make applies to me and any other person
(Initials) covered by this policy.

_____ I understand that the bodily injury liability coverage limits I choose will remain the same as long as the
(Initials) policy is in effect or until I change them.

BY SIGNING THIS FORM, I ACKNOWLEDGE THAT: (1) I HAVE READ THIS FORM OR HAD IT READ TO ME; (2) I UNDERSTAND MY CHOICES AND THE POTENTIALLY SEVERE RISKS DESCRIBED ABOVE; AND (3) I AM CHOOSING TO PURCHASE BODILY INJURY LIABILITY COVERAGE LIMITS LOWER THAN \$250,000/\$500,000.

MICHIGAN SELECTION OF PERSONAL INJURY PROTECTION (PIP) MEDICAL COVERAGE -- INDIVIDUALS

APPLICANT/NAMED INSURED:

USAA NUMBER: EFFECTIVE DATE:

READ THIS ENTIRE FORM CAREFULLY

THE PURPOSE OF THIS FORM

The purpose of this form is to explain the choice you have regarding your Personal Injury Protection medical (**PIP medical**) coverage and to assist you in making that choice. Read this form carefully because the choice you make will have financial consequences.

Definitions for all terms in bold type on this form have been provided on the next page.

This form is divided into four sections, which are described below.

- Section A will review your PIP medical coverage options and the risks and benefits of each option.
- Section B will ask you to choose ONE coverage option.
- Section C will allow you to identify additional excluded persons not listed in Section B (Option 4 only).
- Section D will ask you to certify your choice and acknowledge the information within this form.

Personal Injury Protection (PIP) Medical Coverage Explained

Personal Injury Protection (PIP) pays allowable expenses for a covered person’s care, recovery, rehabilitation, wage loss, and replacement services. PIP coverage also includes some funeral expense benefits and survivor’s benefits, which are paid to a covered person’s dependents if injuries from an auto accident result in their death. This form allows you to select the level of **PIP medical** coverage you want included with your auto policy.

NOTICE

You must choose the level of **PIP medical** coverage you wish to have under your auto policy. If you do not make a selection from the options listed:

- Your policy will be issued with unlimited **PIP medical** coverage; AND
- You will be charged the appropriate premium for this coverage.

If you are renewing an expiring policy that includes a **PIP medical** coverage selection of unlimited (Option 1), \$500,000 per person per accident (Option 2), or \$250,000 per person per accident with no excluded persons (Option 3), your policy will be issued with the same **PIP medical** coverage as your expiring policy.

Qualified Health Coverage Proof Requirements

All policies with a **PIP medical** coverage selection of \$250,000 with some or all persons excluded (Option 4) OR \$50,000 per person per accident (Option 5) OR No **PIP medical** coverage (Option 6) must provide current updated documentation every year for Medicaid, Medicare, or other **qualified health coverage** as applicable to the chosen coverage. If you do not provide the documentation AND:

- Your **PIP medical** coverage selection is \$250,000 with some or all persons excluded (Option 4), your policy will be issued with \$250,000 **PIP medical** coverage with no excluded persons (Option 3) and you will be charged the appropriate premium for this coverage.

- Your **PIP medical** coverage selection is \$50,000 per person per accident (Option 5) OR no **PIP medical** coverage (Option 6), your policy will be issued with unlimited **PIP medical** coverage (Option 1) and you will be charged the appropriate premium for this coverage.

Proof of Medicaid coverage may be in the form of a current Medicaid ID card or a letter from the Michigan Department of Health and Human Services.

Definitions

The terms in bold letters throughout this form are defined below for informational purposes only and are not intended to limit or expand coverage that may be available in a particular policy.

Applicant means a person who has submitted an application for insurance but is not yet insured under a policy.

Attendant care means services that are provided for the particular needs of an injured person, i.e., services that would not have been required before the injury and that are not performed for the benefit of the whole household.

- Attendant care generally includes, but is not limited to, serving meals in bed, bathing, dressing, grooming, administering medication, escorting, supervising, or transporting for medical treatment.
- Attendant care generally does not include providing transportation that is not for medical treatment, preparing family meals, or maintaining the house, automobile, or yard—even if such tasks would have been performed by the injured person but for the covered injury.

Excess attendant care means additional coverage purchased for attendant care above the **PIP medical** coverage limit selected for your policy.

Michigan Assigned Claims Plan is a program that may pay benefits to people injured in an accident involving a motor vehicle when there is no applicable auto insurance policy.

Named insured means the individual(s) named in an insurance policy.

Personal Injury Protection (PIP) Medical is coverage under an auto insurance policy issued in Michigan that pays allowable expenses for medical care, recovery, rehabilitation, and some funeral expenses.

Qualified health coverage means either of the following:

- Health and accident coverage that does not exclude or limit coverage for injuries related to auto accidents and has an annual individual deductible of \$6,579 or less; OR
- Coverage under both Medicare Parts A and B (or a Medicare Advantage plan).

Medicaid and healthcare sharing ministries are examples of coverages that are NOT considered **qualified health coverage**.

Resident relative means a relative of either you or your spouse who lives in the same household.

Section A: Your PIP Medical Choices and the Risks and Benefits of Each

Option 1: Unlimited Coverage

This option provides the most coverage. It will pay for all allowable expenses for your care, recovery, and rehabilitation if you are injured in an auto accident.

Risks	The premiums for this option are higher than premiums for other options.
Benefits	PIP medical will cover costs that may not be covered by health insurance, such as rehabilitation and attendant care . This choice will significantly limit the risk that you will have out-of-pocket costs for your care.

Option 2: Limited Coverage of \$500,000 per person per accident or

Option 3: Limited Coverage of \$250,000 per person per accident

If you choose one of these limits, this amount is the most your auto insurance company will pay per person per accident for an injured person's expenses under **PIP medical** coverage.

NOTE: If you choose Option 2 or Option 3, your insurance company must offer **excess attendant care** coverage, which you may purchase for an additional premium. Check with your agent or company for additional information.

Risks	Limited PIP medical coverages may not be enough to cover your medical expenses. If your PIP medical limit is reached, you may need to rely on other health coverage, which may not cover all medical, rehabilitation or attendant care costs. If you do not have other health coverage, you may be personally responsible for paying these expenses.
Benefits	Lower coverage limits have less expensive premiums than plans with higher or unlimited PIP medical coverage. Up to the limit chosen, PIP medical will cover the cost of products and services that may not be covered by health insurance, such as rehabilitation and attendant care .

Option 4: Limited Coverage of \$250,000 per person per accident with some or all persons excluded

You may select this option if both of the following are true:

- The **applicant** or **named insured** has **qualified health coverage** that is not Medicare; AND
- Each spouse or **resident relative** excluded from **PIP medical** has **qualified health coverage**.

Anyone who is excluded will have no **PIP medical** coverage. A person listed as excluded in Section B or Section C of this form will only be excluded if proof of **qualified health coverage** is provided for that person. Any person who is not excluded will be limited to \$250,000 in **PIP medical** coverage and will be charged the appropriate premium for this coverage.

NOTE: If you choose this option, your insurance company must offer excess attendant care, which you may purchase for an additional premium. This coverage is only available to those who are not excluded from PIP medical coverage.

Check with your agent or company for additional information.

Risks	ANYONE YOU EXCLUDE WILL NOT HAVE PIP MEDICAL COVERAGE. In addition: <ul style="list-style-type: none"> • Persons relying on qualified health coverage to pay for auto accident injuries should be aware that, unlike auto insurance, health insurance stops paying when the policy ends or is canceled. • If any excluded person loses qualified health coverage, you must notify your insurer within 30 days of loss of coverage. • Within 30 days of losing qualified health coverage, if an excluded person is injured in an auto accident, coverage will be provided by the Michigan Assigned Claims Plan up to \$2,000,000 if they have no other qualified health coverage or PIP medical coverage. • A person who has not obtained qualified health coverage or PIP medical coverage within 30 days of the loss of coverage will not be entitled to any PIP medical benefits.
-------	--

Section A (Continued)

Benefits	You will pay a reduced premium because you will not be charged a premium for PIP medical coverage for anyone who is excluded.
----------	--

Option 5: Limited Coverage of \$50,000

If you choose this limit, \$50,000 is the most your auto insurance company will pay per person per accident for an injured person's expenses under **PIP medical** coverage.

You may select this option if:

- The **applicant** or **named insured** is enrolled in Medicaid; AND
- Any spouse and all **resident relatives** have one of the following:
 - a) **qualified health coverage**;
 - b) Medicaid enrollment, or
 - c) coverage under another Michigan auto policy with **PIP medical** coverage.

NOTES:

- Proof of Medicaid coverage may be in the form of a current Medicaid ID card or a letter from the Michigan Department of Health and Human Services.
- Your insurance company must offer **excess attendant care** coverage, which you may purchase for an additional premium. Check with your agent or company for additional information.

Risks	Limited PIP medical coverages may not be enough to cover the cost of your medical care. If your PIP medical limit is reached, you may need to rely on other health coverage, which may not cover all medical, rehabilitation, or attendant care costs. If you do not have other health coverage, you may be personally responsible for paying these expenses.
Benefits	Lower coverage limits have less expensive premiums than plans with higher or unlimited PIP medical coverage. Up to the limit chosen, PIP medical will cover the cost of products and services that may not be covered by health insurance, such as rehabilitation and attendant care .

Option 6: No PIP medical coverage for anyone covered by this policy

You may select this option if:

- The **applicant** or **named insured** has coverage under both Medicare Parts A and B (or a Medicare Advantage plan), AND
- Any spouse and all **resident relatives** covered by the policy have **qualified health coverage** or are covered under another auto policy with **PIP medical** coverage.

Risks	<p>NO PIP MEDICAL COVERAGE WILL BE PROVIDED UNDER YOUR POLICY.</p> <p>You and any other persons covered by this policy will not have PIP medical coverage. You and those persons may have to rely on other health coverage to pay for medical expenses resulting from an auto accident, which may not cover all products and services that PIP medical provides.</p> <ul style="list-style-type: none"> • Persons relying on qualified health coverage to pay for auto accident injuries should be aware that, unlike auto insurance, health insurance stops paying when the policy ends or is canceled. • If anyone covered by the policy loses qualified health coverage, you must notify your insurer within 30 days of loss of the coverage. • Within the 30 days of losing qualified health coverage, if anyone covered by the policy is injured in an auto accident, coverage will be provided by the Michigan Assigned Claims Plan up to \$2,000,000 if they have no other qualified health coverage or PIP medical coverage. • A person who has not obtained qualified health coverage or PIP medical coverage within 30 days of the loss of coverage will not be entitled to any PIP medical benefits.
Benefits	You will pay a reduced premium because your policy will not be charged a premium for PIP medical coverage.

Section B: PIP Medical Coverage Options and Certification
