

Please complete the below form and return to supplier.relations@usaa.com.
Filling out this form does not automatically designate your company as a supplier for USAA. Your company's profile will be stored within a searchable database maintained by USAA Procurement. Should your services align with our requirements, we will reach out to you request additional details about your company. Please note there is not a direct contact method for you to initiate communication with USAA Procurement. Your company profile will remain in our database for a duration of two years. Following this period, it will be your responsibility to resubmit your profile for consideration.
